Club Name

Making Friends

Optimist Clubs began in 1911 in Buffalo, New York. In 1919, eleven clubs gathered in Louisville, Kentucky to officially establish Optimist International. Today this thriving international service organization is headquartered in St. Louis, Missouri.

Optimist Clubs conduct programs that teach communication, respect for law and build friendship and international accord. And they work with children to help them develop their full potential.

Your local Optimist Club is made up of adult men and women who evaluate community needs and then work together to conduct service projects that meet those needs.

You are invited to join us.

Please help us make a difference in our community today.

Enabling Dreams

Promise Yourself

To be so strong that nothing can disturb your peace of mind

To talk health happiness and prosperity to every person you meet

To make all your friends think that there is something in them

To look at the sunny side of everything and make your optimism come true

To think only of the best, work only for the best and expect only the best

To be just as enthusiastic about the success of others as you are about your own

To forget the mistakes of the past and press on to the greater achievements of the future

To wear a cheerful countenance at all times and give every living creature you meet a smile

To give so much time to the improvement of yourself that you have no time to criticize others

To be too large for worry, too noble for anger, too strong for fear and too happy to permit the presence of trouble.
